2.	FILE - T-44				I am returning the attached memoranda, all dealing with Title 44, for your info and file. As a result of your recent conversation with Denver Dickerson and his assurance that we were considered exempt, [redacted] AGC/OL, feels that it is meaningless to review our requirements against the provisions of Title 44, and I believe now considers us exempt without obtaining any further data in writing. I hope and now consider this issue closed!	STAT
